# HELEN

## OVERVIEW

The TFA HELEN chambered in 5.56/.223 WYLDE, was inspired by Helen of Troy and built around her characteristics of strength and beauty. The HELEN was equipped and designed to be the ultimate feature rich light-weight rifle on the market, perfect for shooters who are just getting started, to the most seasoned professional shooter. With our low mass titanium nitride coated bolt carrier with NiB coated bolt, fully adjustable (3lb-6lbs) single stage drop in trigger, match grade TFA Upper/Lower receiver set constructed with 7075 billet aluminum that extends to the rail (7075 aluminum), fully adjustable 3-port TFA muzzle break combined with our proprietary buffer and buffer spring system and .625 Mid-length pencil barrel (incorporated with our proprietary taper to reduce barrel "whip" increasing accuracy) with the TFA adjustable gas block, the HELEN will not disappoint.

# WALL

## OVERVIEW

The TFA Wall, chambered in 5.56 NATO OR .300 Blackout (SPECIAL ORDER ONLY), is inspired by the Walls of Troy, which served as the city's primary defense. As these walls were virtually indestructible surviving a 10-year siege, the TFA Wall mimics the same primary defense and reliability. The WALL is the perfect entry level rifle for anyone wanting an upgraded AR. Equipped with the TFA adjustable (3-6lb) single stage trigger, black nitride BCG with a Nickle Boron coated bolt assembly, 7075 billet aluminum upper/lower receiver and TFA M-LOK rail set, fixed .750 DI gas block, 4150 chrome moly barrel 1:7 twist, mid-length gas system, magpul CTR stock and 30 round Magpul Pmag.

## SPECS

# HELEN<sup>x</sup>

## OVERVIEW

From Queen of Sparta, to the princess of Troy, the Helen X was created around the same classic beauty as our original Helen. The Helen X has a royal touch to capture a true glimpse of her beauty, the face that launched a thousand ships. The upgraded features include a DLC (Diamond Like Coating) BCG, upgraded chrome trigger, enhanced, adjustable cheek rest, as well as our signature TROJAN BLAZE custom cerakote. The Helen X is the ultimate luxury rifle that will enhance any shooters experience on a casual day at the range, to a competitive shooting match with elegant grace and beauty. Please note: FAB defense enhanced cheek rest buttstock needs to be fully extended to the 6th and farthest position away from the receiver to allow clearance for charging handle operation. Buttstock variations available upon request.

# RAZE ILAND

## OVERVIEW

The TFA Raze ILAND, chambered in 9mm, is the pistol variation of the TFA RAZE. The Raze ILAND is the perfect light-weight pistol that is compact enough to easily be stored in a back-pack, oversized bag, by the nightstand, or in the trunk of a car for personal defense. Adjustable 3-6lb trigger, equipped with TFA proprietary features, which maximizes the reliability with integrated barrel feed ramps and reinforced ejectors. The Raze ILAND is compatible with all Glock style magazines.
